ABOUT US

Meghdhanush is an Indian Fusion-Rock band formed in Ahmedabad in December 2009, who are widely recognized for their Hindi & Gujarati Rock Fusions and unique covers. They are one of Gujarat's foremost band. Their signature lies in a contemporary yet rooted sound which connects with the youth and the old.

Meghdhanush (meaning: Rainbow in Hindi), the name Meghdhanush describes their style of experimenting with different genres of music as they believe that different colours of the rainbow represent different emotions, their music does the same.

NEW ALBUM

Dareechey

Dareechey - 2nd studio album of Meghdhanush is set to release this year in the month of May.

'Dareechey' (meaning : a small hole or window which allows admission of light) . It is an original seven track hindi language album. Each song is dedicated to exploring the depth of various emotions like - love, anger, nostalgia, longing, hope, inspiration and resilience. The album is fresh and refreshing and is produced in Meghdhanush's signature Indian Rock Style. The genre of the album is alternative rock.

Album Track List

1. Dekh Tamasha 2. Kabira 3. Chalo Wapas Chale 4. Ankahe 5. Re Udd Jaa 6. Dareechey 7. Kho Gaye Pal

NEW ALBUM

First Single – Dekh Tamasha

Dekh Tamasha, the first single from their highly anticipated second studio album, Dareechey. It is set to release on 27th March, 2025. A bold and thought-provoking track, _Dekh Tamasha _is a satirical commentary on political and social realities, brought to life by the piercing lyricism of Alok Ranjan Srivastava.

The song delivers a hard-hitting progressive rock experience, driven by heavy guitar riffs, thunderous drums, and an unmistakable old-school rock essence, fused seamlessly with modern intensity. Capturing themes of frustration, defiance, and raw emotion, the track is set to resonate deeply with listeners.

ALBUMS AND EPS

Folk Rang by Meghdhanush

A Gujarati Folk Rock EP showcasing a fresh and modern approach to the Gujarati Folk repertoire released in August 2018 has crossed over 5 million hits on various platforms. The series has received more than 3 Millions Views also received the award for the Best Produced Series (Regional) at IRAA 2019 Palm Expo.

ALBUMS AND EPS

MIJLAS

The debut album of Meghdhanush, 'Mijlas', was released in January 2017 by Times Music. The album consists of seven songs spanning across genres and languages. The album has four Hindi, one Gujarati, one English and one Sanskrit tracks.

The compositions of Mijlas spread across rock, fusion, reggae, blues and jazz genres.

Meghdhanush collaborated with Rahul Ram from Indian Ocean for one of the song called Le Lee.

SINGLES

Baawari Ft. Divya Kumar

Baawari is an Original Composition featuring Divya Kumar. The song depicts Love through different perspectives of Society and various interpretations of longing to be with someone.

Yaari

Yaari is an Original Composition featuring 47 musician friends. The song is all about friendship. When you have 47 of your musician friends singing to the same words and the same tune, it is bound to be special and overwhelming.

COVERS

Shaktiman

The first official music video by the band “Shaktiman (Cover)” rock version of the title track of 90s famous TV Soap was released in March 2014, this gave them a nationwide recognition. YouTube India shared the video and Storypick, ScoopWhoop and many other blogs published an article on the same. The Video has crossed 1.6 Million views on YouTube.

Lollipop

An unique rock cover was released of famous Bhojpuri song “Lollipop” in February 2018 which attracted the masses in a short span of time. The video was rereleased by Venus Music (the record label which held the rights of the original Bhojpuri song) on their YouTube channel. The Video has crossed 1 Million views on YouTube.
